

Planning Tool for the Gradual Resumption of Educational Childcare Services

NOTICE

The resumption of educational childcare services will take place in accordance with the recommendations of Québec's public health authorities.

This planning tool is not a childcare services agreement or any other type of contract.

It has no legal status.

It does not constitute a commitment from the childcare provider to receive a child.

It does not constitute a commitment from the parent to send his or her child to the childcare facility or to pay childcare fees.

The information it contains is provided for reference purposes only and remains subject to change.

For purposes of determining your access priority, please specify what type of job you do:

For purposes of determining your access priority, please specify what type of job you do:

Planned date of return

1- Do you want your child to return to the childcare facility **as soon as** the Government identifies your industry sector as priority?

YES NO

2- If you answered no, on what date (*dd-mm-yyyy*) between now and the complete reopening, do you plan to send your child back to the childcare facility?

Any vacant spaces will be offered to other children temporarily.

*The person who has de facto custody of the child is considered to be a parent, unless the person with parental authority objects.

3- MAILING

Subject to the **notice** appearing at the top of this survey, the mailing of this form to the email address indicated in section 1 serves as the parent's signature.
